Summer Holidays

We hope you all have an enjoyable and safe summer holiday. A reminder that school is closed on Monday 4th September for Teacher training.

The first day back to school for children is TUESDAY 5TH SEPTEMBER

Disability Sports

Fun Day

Sunday 10th September from 10.00am at RAF Shawbury.

Various sporting activities. For further details contact 07780676385.

Child Behaviour

Direct

In the Autumn term we will holding a series of 6 weekly workshops on managing challenging

behaviour at home.

Dates and times to be advised. If you are interested please get in touch with Alison Hie via Reception.

Chill Out Week

We have all had fun this week. On Monday we had a farm visit with pigs, sheep, goats, rabbits and a donkey, there were lots of opportunities to get up close and pet the animals.

Tuesday we took part in a lively Zumba session.

The children have also taken part in multi-skills sessions, cooking, bikes, sewing, hand massage, art and class based activities.

TERM DATES

Term Ends

Friday 21st July 2017

Training Day

Monday 4th September 2017

School re-opens to children

Tuesday 5th September 2017

What have we been doing in class this week?

TADPOLES

A very busy 'Chill Out Week' in Tadpoles. We all enjoyed multi-skills in the hall and visiting the farm animals that were in school on Monday. Everyone liked the donkey, sheep, pigs, rabbits and goats. On Tuesday we joined in with a Zumba session and enjoyed chopping vegetables to make healthy pitta bread snacks. Out on the bus on Wednesday to look at farm animals and we enjoyed playing outside in the sunshine. On Thursday we explored the bikes and for those that wanted, hand and foot massages. A lovely day on Friday with choose activities and a whole school picnic in our new classes for lunch. We all hope you have a lovely summer break, all the children have worked very hard this term. Look forward to seeing you in September.

DRAGONFLIES

We have had a good week in Dragonflies with lots of fun activities. We went to look at some farm animals that had come into school; some of us even stroked a couple of them. On Tuesday we had a go at doing a bit of Zumba, we did our own moves but we enjoyed dancing to the music. We also did some cooking in the afternoon, we chopped up some fruit and vegetables to put into a pitta pocket. Most of the pupils felt relaxed after their hand and/or foot massage; we listened to some calming music and explored some sensory toys as well. Dragonflies went to the leavers assembly and they sat really well for quite a long period of time. Our pupil of the week is James. Everyone in Dragonflies wishes you a wonderful summer holiday!

DUCKS/HERONS

We have all had a good week, the children especially enjoyed the farm animals. As a follow up we did some work on farm animals and some farm yard maths. In Ducks the hand and foot massage was very relaxing for most of the children, some preferred the Zumba! In Herons we did sewing which everyone enjoyed. In Ducks our Pupil of the Week is Bob and in Herons it is Thomas.

LAPWINGS

Lapwings have had a super Chill Out Week! On Monday we had a chance to see the Farm that came into school. We liked stroking the donkey and the goats. The pigs were a bit tired and spent most of their time sleeping in the sun. The rabbits were very soft and cuddly. In P.E. we went outside for multi-skills and played different parachute games which were really fun. Later on Tuesday we went into the hall for some Zumba fun - everyone joined in and we really liked the zany Zumba lady. Wednesday morning Mrs Towers came into Lapwings to give us some relaxing hand and feet massages. We had chill-out music playing in the background and we all felt very serene ready for our bikes session later on in the morning. On Wednesday afternoon we joined in with the Leavers and Prize winners Assembly - we liked singing the songs and watching the video of the Year 6s who are leaving. We spent Thursday morning baking; we made scones and jam pinwheels. We liked stirring the mixture, rolling out the dough, cutting out the scones and then eating them for our snack! On Friday we had lunch with our new classes and had choose time and a party in the afternoon. We want to wish our Year 6 pupils all the best; Lio, Ellie and Joe - Good Luck! Our pupil of the week is Mosa for good listening and following instruction. Finally, we hope you all have a safe and happy summer holiday and we'll see you in September.

LADYBIRDS

We have all enjoyed chill out week in Ladybirds this week. On Monday we enjoyed looking at the farm animals that came to visit us. Our favourites were the donkey and the rabbits. We also enjoyed cooking pitta breads with Mrs Hie. We enjoyed cutting and choosing our vegetables and tasting cream cheese. We had a busy day on Tuesday taking part in, multi-skills, Zumba and sewing. Our favourite activity of the week was Zumba, we loved it! We all enjoyed the movie afternoon on Thursday. We have enjoyed all activities this week and taken part with smiles on our faces. Our pupil of the week is Devante for having a positive attitude all week and smiling! We had had a wonderful year in Ladybirds this year and wish all the success to our pupils who are leaving us. Have a happy, safe and relaxing holiday.

SWANS

Teaching in Swans this year has been amazing. It has been a pleasure and a privilege to watch your children grow over this school year. I wish all the children of Swans the best of luck for the future in their new classes and look forward to seeing them grow even further. Have a great summer holiday and stay safe. Kieron was our pupil of the week.

BUTTERFLIES

We have had an amazing week in Butterflies. On Monday we had a visiting farm and our favourite animals were the donkeys and the pigs. On Tuesday we all enjoyed our Zumba lesson but it was tiring. Tuesday evening we drove to Yarlet school for our sleepover adventure. When we got there we played outside before going swimming. Yarlet school have their own swimming pool and it was lovely and warm. We enjoyed jumping in! Tracey the school cook made us dinner, chips and chicken burgers! Mrs Cook says we were really well behaved because we all went to bed when she told us to. Some of us won prizes at prize giving on Wednesday and we are proud of our classmates. It was sad to say goodbye to Otters and year 6 pupils from Lapwings and Kingfishers. Today we enjoyed a picnic with our new classes. Our pupil of the week is Eddie, for independent skills and care towards others during our recent visit to Yarlet. Have a lovely Summer break and see you in September.

OTTERS

We have had a great chill out week. We enjoyed spending time with the mini farm, stroking the pigs, goats, sheep and donkey. Zumba was lots of fun and energetic. Otters have had a fantastic year and we wish you all lots of luck in your new schools. Our pupil of the week is Cole. Have a great Summer!

KINGFISHERS

An amazing last week of term. Everyone in Kingfishers has really enjoyed our Chill out Week. The Zumba, the bikes, cooking, playing with Lego, our class party. Of course the Leaver's Assembly was amazing and we are so proud of all the Kingfishers who took part - speaking in front of a large group of people is very difficult for some of our pupils but they stood up and did us proud. We wish Harry and Daish lots of luck in their new schools and our Pupil of the Week is Harry for his public speaking on Wednesday. Have a fantastic holiday and if we don't see you at the Summer Activity days we will see you in September, fully refreshed and ready to learn.... Lots!!
